Success-focused English

ABOUT US

We provide success-focused English lessons

Our Mission:

Leading learners to confidence and empowerment of their language skills

How do we achieve this?

With customized close connections and inspired methodology to help people to become Language Leaders

OUR STUDENTS

WHO CAN WE HELP?

From absolute beginners to experienced language learners looking to add the final touches to their language skills.

Talk to us about your requirements and select a package to provide the training required.

OUR METHODOLOGY

We understand the needs of the learner and provide the tools to dominate English in the workplace.

Using traditional methods blended with modern language training solutions we will lead learners to better language skills.

ATTRIBUTES AND BENEFITS

We believe in customized learning, that's why we are experts with growth mindset.

Empowering our students with confidence and leadership through endeavor and excellence

ONLINE IS MIGHTY FINE!

In the connected world of the internet, it is perfectly normal to have meetings with distributed teams based in countries in all over the world. At Language Leaders, we embrace the practicality and convenience of online classes without compromising the personal touch our expert tutors provide to learners.

Combining years of experience with learning technologies and innovation. Language Leaders is ready to lead your team to excellence in English.

If face-to-face classes are your preference, that is no problem either! We are ready to listen to your needs and customize a plan to deliver high-quality English classes, when you need them.

PACKAGES AVAILABLE

- **Individual classes:** Be the center of attention. Individual classes are the perfect strategy for learners that need that attention to detail to improve English skills, fast.

- **Groups of 2/3:** Like being around a table discussing hot topics, a class of 2 or 3 offers a challenging yet stimulating environment with huge levels of participation time. You won't want to anything else but learn!

- **Standard group (4/6):** A traditional group size that offers a great balance between service and value. Your expert teacher guides students as they learn about the language and how to use it. From whole class work to pair practice in breakout rooms, this option balances perfectly between value and effectiveness.

• **Value group (6+):** Perfect for short-term contracts, this style brings together colleagues. From sales teams/engineering pods to corporate leaders this options work focuses on specific topics or 'to bootcamp' a particularly tricky subject. From whole class work to pair practice in breakout rooms, this option can really help a group to align and grow in confidence using English.

• **Conversation classes:** Do you have a group of capable English speakers that just need a little practice here and there to reinforce their skills? Then how about organizing a conversation club? An experienced tutor will guide the class in a conversational-based style, and give feedback as and when is necessary. This laid-back style is a great way to make learning English understandable and fun!

TUTORS

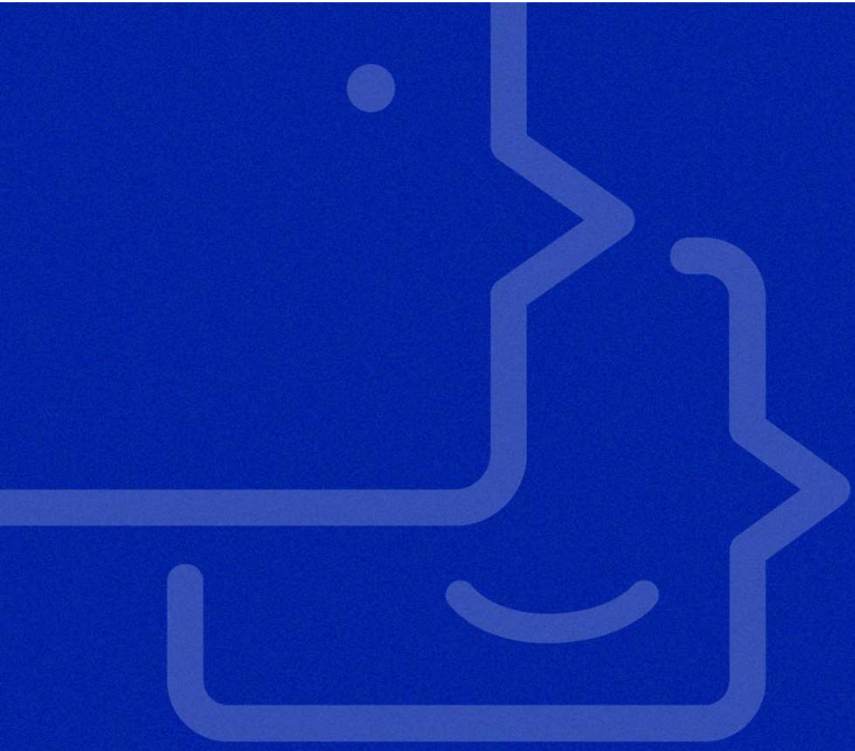

Language Leaders tutors are highly skilled, experienced and motivated. The perfect recipe to ensure that students learn what they need to know at the right time. We don't use the terms "native" or "non native" tutors, just "experts" who are ready to coach and lead the students throughout their learning journey.

MATERIAL

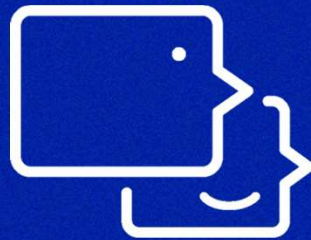

At Language Leaders we are always looking for the best way to teach and guide the classes. That's why we analyze our materials to create the best possible learning environments, and have chosen ESL BRAINS materials as the foundation of our teaching strategy, to align with additional material that is key to progression in the language.
